THE NAUTILUS

1957

FOREWORD

Very few of us stop to realize how much a town and its high school are bound together. As shown on the cover and on the following pages, the theme of the NAUTILUS this year is the relationship of the activities and sports of Cape Elizabeth High School to the town. In doing this, the staff of the NAUTILUS 1957 hopes that the students of this high school will represent Cape Elizabeth with pride and distinction in the years to come.

Dedication

ROBERT BROWNE LUNT

Mr. Lunt has been the Superintendent of the Cape Elizabeth and Scarborough school systems since 1948. The chief feature of his administration has been the enlargement of the two school systems. He has served as President of the New England School Development Council, for the betterment of all New England schools.

It is, therefore, to this friend and advisor, Mr. Robert B. Lunt, who has done so much for the students of Cape Elizabeth, that the NAUTILUS is dedicated.

Well represented in all phases of school life, the class of "58" is trying hard to show that they are ready to take on the responsibilities of school leadership as next year's seniors.

We are devoting our sincere efforts toward making our dream of a successful Washington trip a reality.

Through active participation in sports, cheerleading, music, newspaper work, and other school sponsored activities, juniors are devoting their time and talent for the benefit of the school as a whole.

Sophomores

President—STEPHEN SCOTT

Vice-President—GEORGE STONE

Secretary—NANCY DIMATTEO

Treasurer—RUTH LAWRENCE

The class of "59," with the combined efforts of the whole class and a great deal of outside help, held the annual Freshman Reception. It was the first dance in the new gym, and was a huge success with the whole school turning out to welcome the new freshmen.

Another of our major accomplishments has been obtaining our class rings. The committee that chose them should be congratulated for such fine taste.

The sophomores are very well represented in sports this year. We have several varsity and many J. V. cheerleaders and basketball players, who are all doing very well.

Freshmen

President—KENNETH MCCLARY

Vice-President—WILLIAM TREMBLAY

Secretary—PATRICIA ROBY

Treasurer—PAMELA BANCROFT

We, the class of 1960, the largest to enter CEHS, are honored to be the first to use the newly expanded facilities. Our class participated in the swimming meets, fall baseball, track events; and a good number of the boys and girls were members of the basketball teams. We were well represented in the chorus and orchestra. Several of the girls took part in cheerleading; a reporter for the school paper was chosen, and we elected two members to the Student Council.

With the help of our advisors, Miss Goss, Mr. Bruce, and Mr. Bonville, our first year has been most successful. We are looking forward with keen anticipation to the succeeding years at CEHS.

Student Council

President—David Armstrong

Secretary—Judith Higgins

The Student Council activity began this year with one of the best campaigns the school has ever witnessed. It was a very close race; both candidates put up a good fight.

The Council has again sponsored the dances after home basketball games. This year the funds from the dances went to the March of Dimes.

The highlight of the season was the Winter Carnival. This was an all-day event, followed by a supper and dance.

Many helpful suggestions and ideas concerning assemblies were offered by the faculty, and gratefully accepted and put into practice by the Council.

All in all, this has been an active year and we are quite proud of the things that we have helped CEHS to accomplish.

THE PRESIDENT'S MESSAGE

Our major goal this year has been to bring about a closer relationship between the Parents' Forum and the Student Council, the faculty and the Council, and the students and the Council. The Liaison Committee, which connects the Council and the Parents' Forum, was revitalized and monthly meetings have been held. This committee, consisting of a parent and a Council member from each class, originated our new Boxing Club, which has brought many more students into the school athletic program. It also sponsored all the dances following the basketball games.

During the course of the year we have tried to remove the blanket of secrecy which has sometimes seemed to surround Student Council plans and projects. A Council representative from each class has been responsible for reporting to the teacher and students of his class the highlights of each weekly meeting. Minutes of the meetings, rallies, and posters have helped to keep the students and the teachers well informed. A poll of the teachers produced many excellent suggestions for Council projects.

I would like to express my praise and appreciation to all the hard-working Council members, and to all others with whom I have worked. It is my sincere hope that we have achieved closer communication between the faculty, students, and parents, for I believe that this is one of the basic purposes of the Student Council.

DAVID G. ARMSTRONG.

THE CAPER COPY

Main Editorial Board

Under a new staff this year, the *Caper Copy* has undergone some changes, the most notable of which is the use of large headlines proclaiming the major news of the issue.

The ultimate goal is a regular periodical with larger issues; next year the staff will have the experience to realize this goal.

MISS NAUTILUS
ANNE STICKNEY

This year there were four candidates competing for the title of "Miss Nautilus": Anne Stickney, Marilyn Willard, Margo Mellen, and Sally Berry. The winning candidate, chosen at the climax of the dance, was Anne Stickney. The "Miss Nautilus" dance has become an annual affair, contributing to the success of our yearbook.

Business Manager—RUCKER BURKS

At the time this portion of the NAUTILUS is going to press, the editor has her doubts as to whether the book will come out in June, as scheduled, or in August!

Our advertising campaign this year was very successful, and certainly a lot of fun. Under the guidance of Portland Lithograph and Mr. Stinchfield, we have worked hard and put a lot into the 1957 NAUTILUS. We hope you like it.

Debate Club

Every activity has its bad year, and 1956-1957 shook the Cape club to its roots. Lack of co-operation and enthusiasm has hurt Cape's debate teams of the 1940's; but during the past two years of the new club, lost ground has been regained. Thanks to past help, Mr. Whittier's coaching, and a group of able new sophomore recruits, Cape Elizabeth has an excellent forensic rating in northern New England. (The Bates League recognizes our potential as well as our plaid boxes!) We have no doubt that in the future the freshman teams at Bates, as well as teams all over this state and New Hampshire, will bow to teams from an active Cape Elizabeth club as they did last year. The NAUTILUS wishes you the best, for you have a promising future.

Orchestra

This year, as was the case last year, the orchestra was organized as a dance band. We have had the pleasure of playing for two dances, one of which was the Junior High Canteen. "Sandy" Grant added new popular songs to our music library all year. The time spent in rehearsals was the most enjoyable part.

Swimming Club

Again this year Cape has been represented at the weekly swimming classes at the Boys' Club. Under the careful guidance of Harold Paulson our girls have worked hard trying to improve.

It is a worthwhile activity and a lot of fun. Let's hope that more Cape lassies will join next year.

Chorus

This year the Chorus, under the skillful direction of Mr. Grant, performed at a Christmas Pageant, a Spring Concert, and several school assemblies. Soloists Martha Olsen and William Monie were featured. The music was new and well prepared.

Mr. Grant and the Chorus worked hard to please the music lovers in the Cape with their variety of spiritual songs. But there was never a lack of fun.

Next year Mr. Grant is looking forward to a bigger and better Chorus. You all are welcome to join!

National Honor Society

In an impressive ceremony, the second "generation" of National Honor Society members at the Cape were initiated. We deem membership in the Society a great honor indeed, considering the high requirements which are necessary. They are Character, Scholarship, Leadership, and Service. In stressing the four points, the school hopes to impress upon the students that all of these qualities are present in the all-around individual.

The first three years of the club's existence were a mixture of dances, suppers, and other money-making schemes, both successful and unsuccessful. This year has been a little more profitable in most respects, due to new ideas—selling ice cream at lunch and at the basketball games, for instance. We have had two paper drives with another planned, and a successful spaghetti supper. We have probably the largest Washington Club in the history of the school—thirty-nine members.

Office Girls

The watchword for any experienced office girl is "Never plan to do your homework in your office period!" Boxing Club

With the able assistance and training know-how of Mr. Morris Sharpe, a boxing club has been formed at CEHS. The idea was originated by Conrad Jaresky, who himself is an authority on boxing.

The twenty or thirty boys who have gone out for boxing have met in the gym, where, under the direction of Mr. Sharpe, they have been going through preliminary workouts and exercises.

We in the club feel that Mr. Sharpe is doing an excellent job of training and conditioning our members, and we are certainly having fun doing it. We will be pleased to welcome to the club anyone who is interested in the sport. We wish to express our thanks for the co-operation we received from Mr. Stinchfield and the Parents' Forum, and we will try to make this newly-formed club one that the school will be proud of and support.

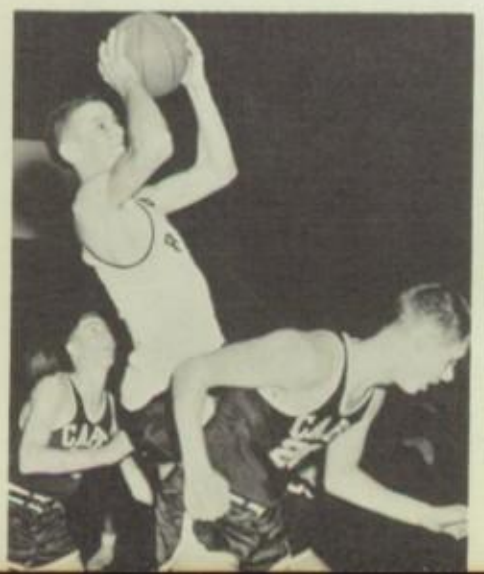
Boys' Varsity Basketball

We Capers were again lucky enough to have another great basketball team. Once more Cape was "the team to beat," not only in the Triple C, but also throughout the Western Maine Division. Only two teams proved equal to the task during twenty-one games.

Fine playing by Pete Scott, Roger Curtis, Teddy Ray, Dave Jordan, Dave Armstrong, Tom Williams, and the rest of our fine squad upheld the reputation built up by Cape in seasons past. Terrific competition made the going rough all the way. Three games were won or lost by three points, while yet another went into overtime.

The Class M Western Maine tournament will go down as one of the most exciting in the history of Maine schoolboy basketball. Cape won its first game against N. Y. A. with every man on the starting team sick! At Lewiston, our last two games were won in overtime—not just one overtime, mind you, but two and three! We missed the Western Maine Championship by just one basket—in a "sudden death" period in the play-off with Old Orchard Beach.

As far as next year goes, we'll just have to wait and see. Roger Curtis, next year's captain-elect and a two-year veteran, is the only letter man returning out of ten. If the team continues to have the superb leadership that it has had this year, Cape will still be regarded as formidable by every team it plays.



"Victory, victory, that's our cry!" *"Get that ball"!*

Varsity Cheerleading

This year has been an exceptional one for the cheerleaders. We have had an outstanding team to cheer for, and a willing and patient head cheerleader, Judy Reilly. Three "greenhorns" were added to the squad this year, and turned out to be remarkable cheerleaders.

Also, the students have gladly given us and the basketball team their support. For this we are certainly grateful.

Boys' J. V. Basketball

Throughout the successful season, the J. V. team, under its able Coach Whitcomb, has played excellent basketball. The important factor was defense, in order to prepare the players for future action on the Varsity.

With stress during the season on an effective man-to-man defense, frequent use of a "zone press," and careful and precise block-out on defensive boards, the team made a good showing in many tight spots.

With this creditable season completed, the J. V.'s have carried on the Cape tradition of championship teams.

Junior Varsity Cheerleading

The J. V. cheerleading squad did a fine job cheering their boys on to victory this year under the leadership of Letty Cochrane. The squad was well balanced with two juniors, three sophomores, and three freshmen. They are all good prospects for the Varsity next year.

The support of the student body at the rallies and games was wonderful and greatly appreciated.

Girls' Basketball

This year the team had one of its best years, thanks to the help of our new coach, Miss Goss. Led by the scoring of Joyce MacKeen, Judie Ward, Sylvia Hasty and Nancy Murray, the team won eight of twelve starts.

It takes a good reserve squad to make a strong team. When called upon, Jane Maloney, Edith and Hannah Sewall, Nancy DiMatteo and Donna Skillings made good showings.

The freshman class contributed its share to the team with Linda Bagley, Linda Wainwright, and Janet Nickerson, who are building up for regular places on the team in the future.

We are losing seven of our regular team through graduation this year: Barbara Roper, who has done well under the baskets, Joan Anderson, a fine little guard, and the one and only Ann Libby, plus the above-mentioned seniors.

The Capers clinched the 1956 season by having an undefeated year, thus continuing their winning streak to a total of twenty consecutive games. The established stars last year were Captain Dale Farnsworth, Pete Scott, Roger Curtis, Marvin Clifford, and Dave Armstrong.

Even though Cape lost six or seven men through transfers and graduation, we are expecting a good team this season.

Boys' Swimming Team

This year's Boys' Swim Team won its fifth consecutive Triple C swim meet, sharing the honors with Freeport. Cape did the impossible by scoring twenty-one points with only four men in the finals.

Captain Bill Gribbin was the hero, scoring ten points with a double win in the backstroke and breaststroke. John Gibbons took a blue ribbon with five more points in the diving. The other two scorers were Howard Adams, who took second place in the breaststroke; and David Armstrong, who took another second in the grueling 100-yard freestyle.

The meet was a great accomplishment—the closest and toughest Triple C Swim Meet in Cape's history.

Girls' Swimming Team

Cape placed second in the annual Triple C Girls' Swim Meet held at the Boys' Club. Falmouth was first place winner.

The only first place winner for Cape was Denise Guimont in the 50-yard freestyle; the other individual winner was Joyce MacKeen, who placed third in the 25-yard backstroke. The Freshman Relay placed second—Nancy Cole, Denise Guimont, Judy MacKeen, and Judy Turner. The Senior Relay also placed second—Denise Guimont, Nancy DiMatteo, Ruth Lawrence, and Joyce MacKeen.

Seated, left to right: J. Anderson, N. Cole, J. MacKeen, D. Ball, R. Lawrence.
Standing: D. Guimont, J. MacKeen, N. DiMatteo, J. Turner.

Left to right: B. Ray, W. Weatherbie, H. Adams, C. Vincent, H. Fotter, R. Raymond, A. Cooke, R. Burks, W. Tremblay, M. True, J. Austad, Mr. Stinchfield, coach.

Cross-Country

The Cape Cross-Country team almost achieved its objective for the season. Faced with the opposition of larger schools, our harriers turned in the following good performances:

CAPE: 27	South Portland: 28	
CAPE: 34	Porter: 40	Pennell: 48
CAPE: 29	Gorham: 28	
CAPE: 32	Cheverus: 23	
CAPE: 36	Porter: 42	Falmouth: 47

Triple C Meet: CAPE: 2nd place, 6 teams participating.
Southwestern Maine Meet: CAPE: 11th place, 19 teams participating.
State-of-Maine Meet: CAPE: 4th place, 12 teams participating.

Always leading the pack were senior Rucker Burks, junior Hank Fotter, and sophomore Roy Raymond, who ran Cross-Country for the first time last fall. Not far behind were sophs Alec Cooke, Mike True, and senior Craig Vincent.

The prospects for next year are excellent indeed, as only two letter men are graduating. Coach Stinchfield and the entire team are to be commended for putting Cape Elizabeth High on the Cross-Country map.

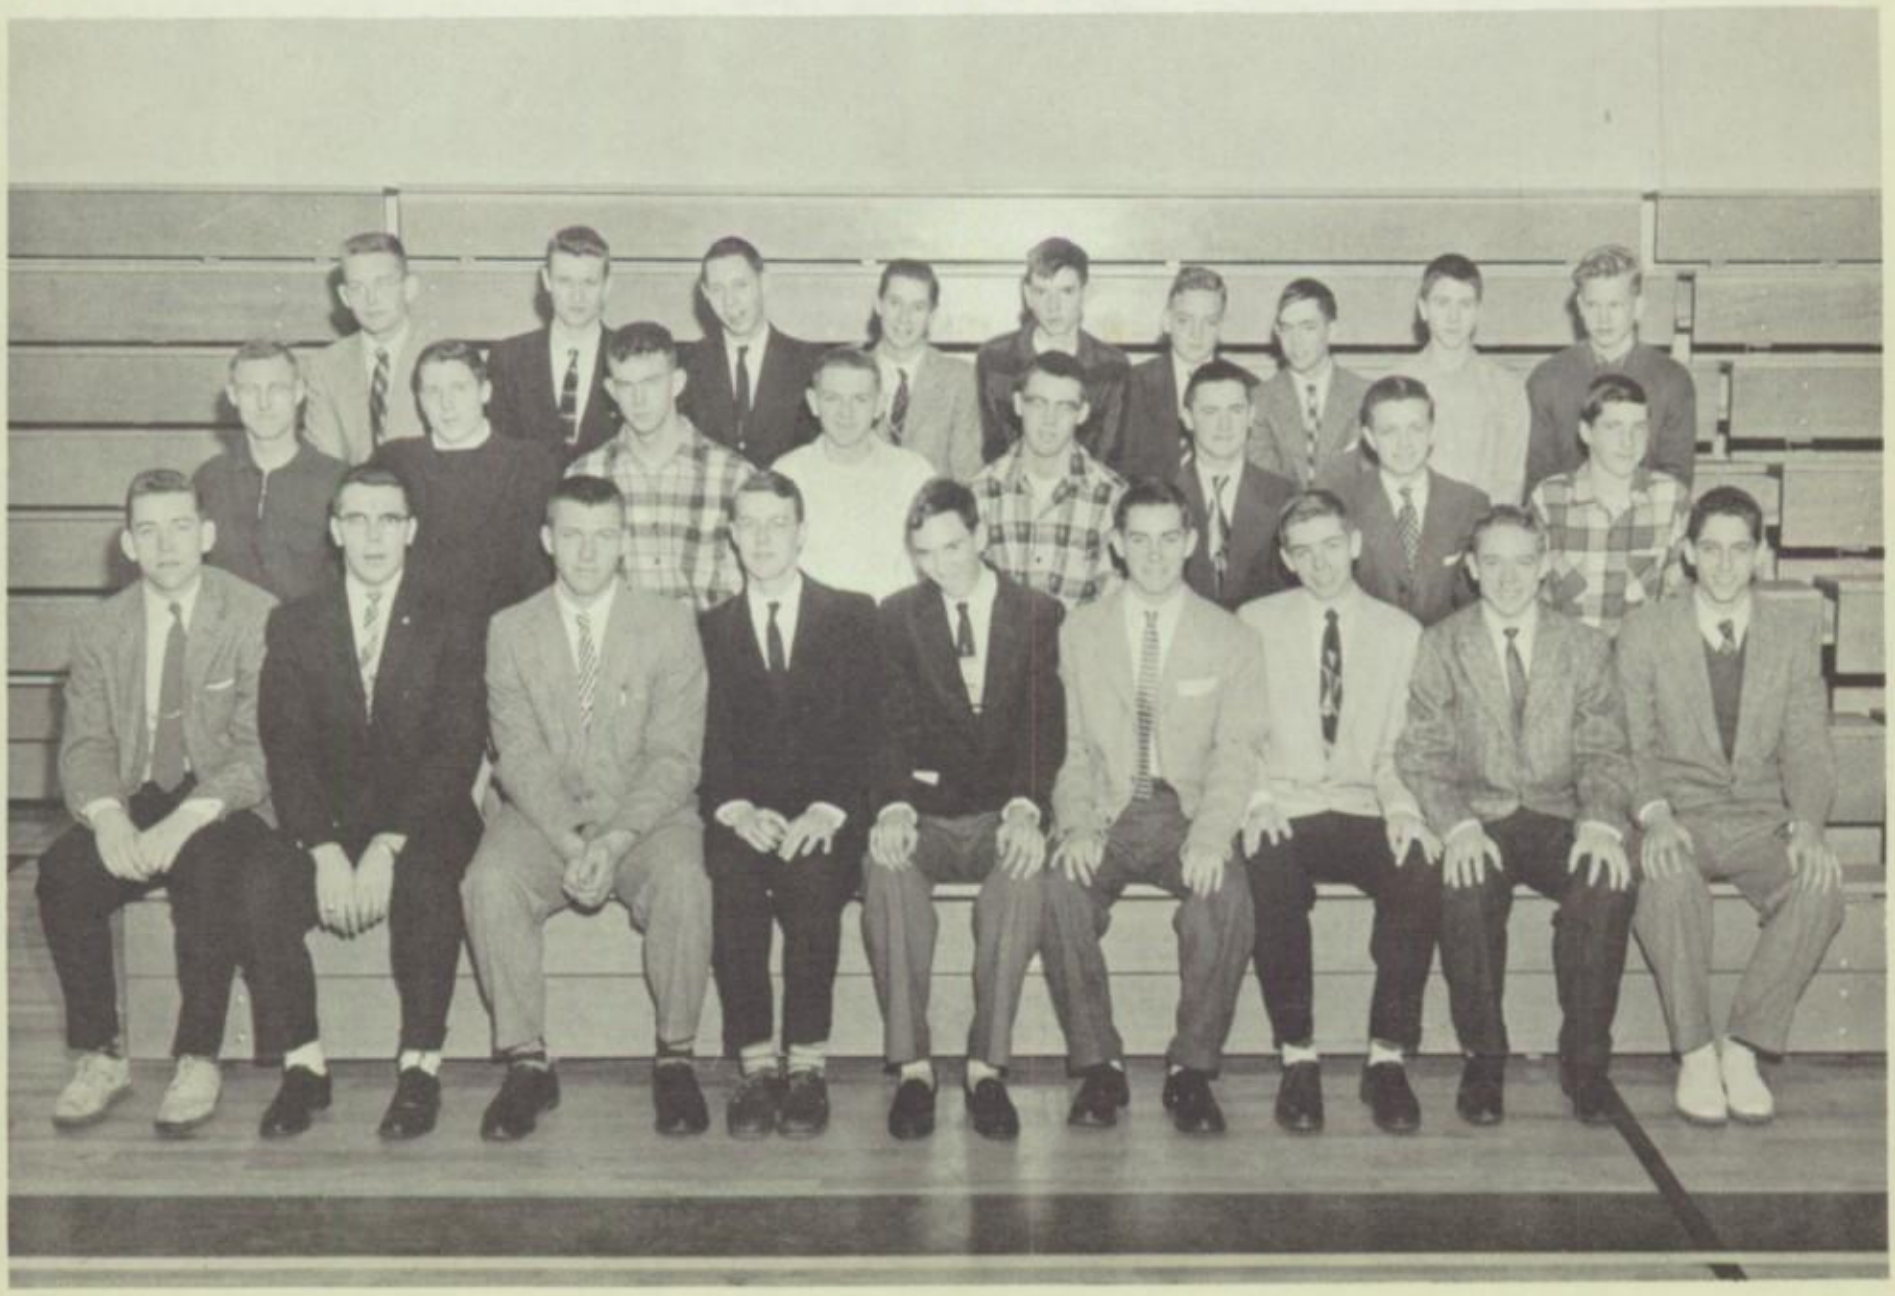
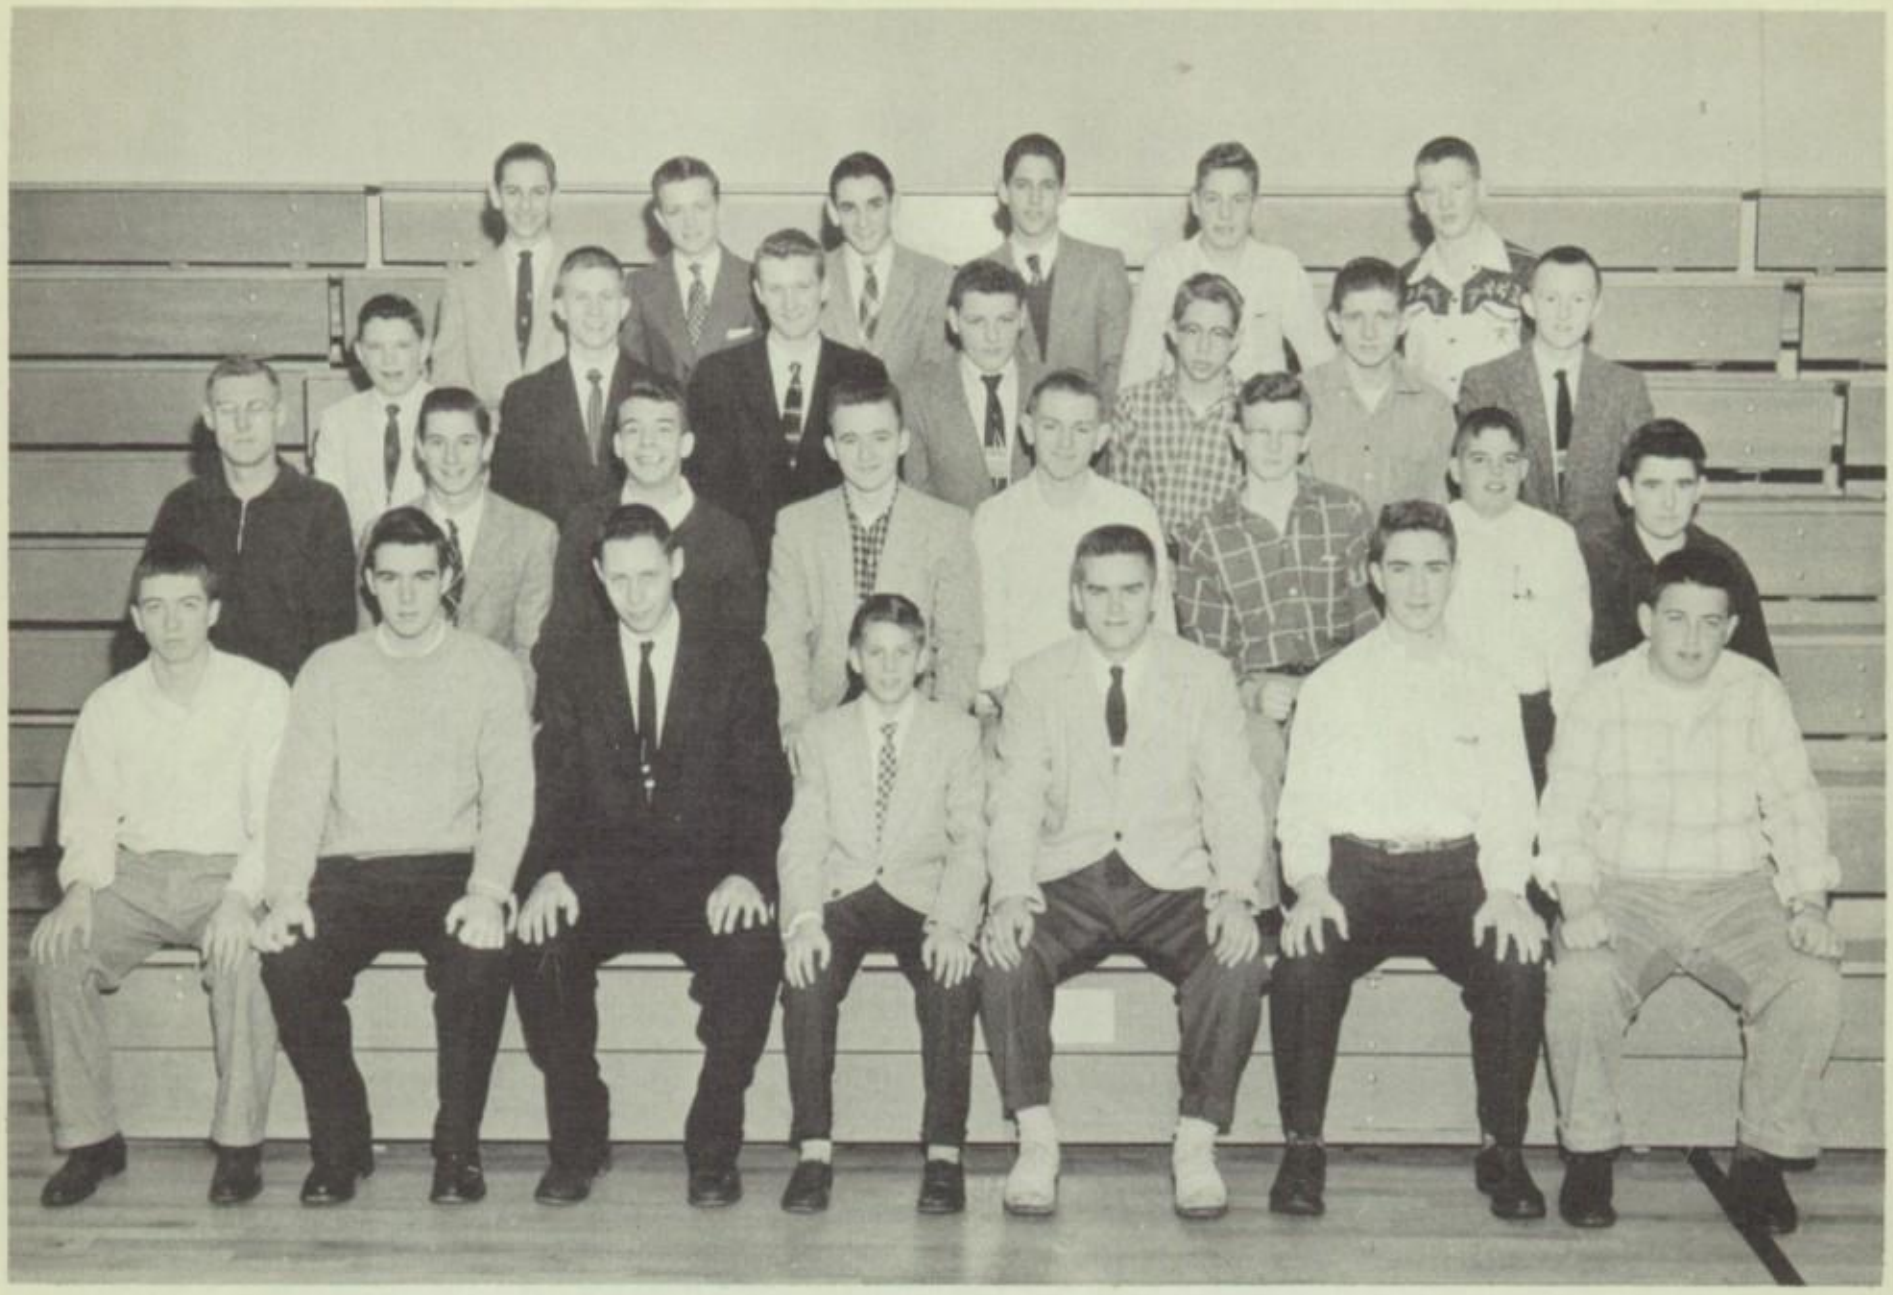
Track

Even though we had a losing season, and as a team we were barely defeated for the Triple C title, some outstanding individuals developed from the Cape team. Lloyd Bankson and Ray Twitchell won first places at the State meet in their respective events—the 440 and the running broad jump; Carroll Clifford placed third in the weight events. The two first-place winners then went to the New England meet held at Bowdoin College, and displayed excellent sportsmanship and ability.

Main point winners for the '56 team were seniors Twitchell, Bankson, and Clifford; juniors Rivers, Maxwell, and Williams, and sophomore Fotter.

First row, left to right: J. Paine, C. Vincent, C. Clifford, C. Rivers, R. Maxwell, W. Tremblay, R. Raymond, M. True, R. Lunt.
Second row: Mr. Bonville, coach; B. Ray, R. Mellen, G. Morton, G. Bartlett, J. Grover, G. Stone, J. Chappell.
Third row: H. Fotter, D. Jordan, T. Williams, P. Howe, T. Hodgkins, S. Dunn, D. Foss, R. Quinby, J. Stinson.





First row, left to right: R. Curtis, J. Gibbons, T. Williams, R. Ray, R. Brown, W. Monie, R. Jones.
Second row: Mr. Bonville, coach; P. Howe, W. Northgraves, J. Marsden, G. Morton, J. Pakenham, J. Murray, S. Gilbert.
Third row: E. Keirstead, C. Ray, D. Jordan, E. Jardine, D. Atwood, W. Sargent, S. Scott.
Fourth row: E. Burks, G. Stone, W. Kessler, R. Lunt, C. Weaver, A. Roper.

Soccer

Our thanks go to Mr. Bonville and his soccer team for a fine season. As Cape Elizabeth declined to join the soccer league, games were played on the intra-mural level. Much spirit and rivalry developed between the teams.

Soccer is still a new sport at Cape Elizabeth High; we hope the school's interest and support will grow with each successive year.

Softball

The girls' softball team had only a fair season. We won two games and lost two. We should certainly do better this season—all those that were on the team last year are back, and there are many new freshmen. Miss Goss will be our coach this year.

Seated, left to right: M. Willard, J. Higgins, L. Robbins, B. Brown, D. Willey, S. Hasty.
Standing: G. Minnon, M. Leighton, J. Reilly, J. Maloney, N. DiMatteo, B. Roper, L. Cochrane, J. Moulton, E. Sewall, F. Doughty.

THE NAUTILUS staff feels honored
